

The Atlanta Diversity Job Fair

Hosted By:

thejobfair.com

Promoting Diversity/Providing Quality/Producing Results!

Top Companies Will Be on Hand!

We welcome your participation at the **Atlanta Diversity Job Fairs**

Please take just a moment and complete this reservation form and fax it to: **678-889-5094**.

This will reserve you booth space and allow us to promote you with our strategic advertising campaign aimed exclusively at producing qualified applicants for your recruitment needs.

All Positions / Entry level or Professional / Part-Time or Full-Time

With the #1 visited job fair website on average, over 85% of applicants in attendance at our job fairs have already visited thejobfair.com. A large majority of the candidates who visit your booth will have come to speak directly with your representatives and will be aware of your open positions and the qualifications required.

This eliminates the "cattle call" approach used by our competitors, which neither benefits the employer or the applicant.

If you have any other questions please call Jeff Kitchens at: **678-889-7567**

Space is limited, so fax back your reservation form today to: **678-889-5094**.
